

December 10<sup>th</sup> 2025 - Sweet Station

The meeting was called to order at 7:03pm by Harvey Church.

In Attendance: Harvey Church, Bev Martin, Kim Z, Jim Heikes, Poppy Darby, Sheb Church, Matt Weston, Jennifer Weston, Ben Goslin, Holly Weston, Brandi Barker, Lori Buckendahl, Myra Church, David Moore, Colin Macweeny,

Minutes for November were read by the secretary

Bev moves to approve as corrected adding in the bills paid, Kim seconds, all were in favor

**Colin Macaweeny** presentation regarding impact fees. After it was found that we do not currently have any sizable subdivisions moving forward in our district, it was determined that there is not currently enough growth to support initiation of impact fees. We should re consider when growth exceeds 40-50 homes in one year.

**Chairman/Commissioner Harvey Church:** Winter water locations. Cost is estimated not to exceed \$2500.00 to complete the dry hydrant at Baldwin corner. Kim motioned that we approve this dry hydrant at Baldwin corner, Harvey 2nds and all were in favor. We will move ahead with that installation and then reassess additional locations. Allan Hermanson is working with Kirk Willie to draft a legal easement for his location. This will require a survey Harvey is getting a quote for that survey. Harvey could also provide rock for the approach. Holding Tanks in Montour were also discussed. They appear clean inside, further investigation in the future.

**Commissioner Bev Martin:** Mutual Aid Agreements updated with Snake River Valley

**Commissioner Kim Zematis :** We will have a Commissioner Sponsored Dept. Holiday dinner 12/18 @ 6:30

**Chief Jim Heikes:** 6 Fire 8 medical

Chief Heikes reported dispatch is having some issues which he will follow up on.

912 Bolt on Engine was fixed and 951 still needs dome light instrument cluster

Thank You to whom fixed the flag pole ropes

Checking on the IDL grant, Matt confirmed he will do the follow up on that Sea Western Order

Fema paperwork was submitted

Revisited the Fire extinguishers for the stations and trucks and expense of \$2000 was approved

Donation for fire department/smoke alarm program. We need a little giant ladder + fire smoke alarm kits including 9v batteries, air canister, and replacement alarms.

Would like new flashlights that are fire rated, this was tabled until January.

Nifers has a new updated program that we need to learn for making fire reports.

Kim Made a motion to pay the bills, Harvey seconds, all in favor. The following bills were paid. Poppy Darby 225.00, Sheb Church 220.00, B&W Fuels 502.22, Emmett Sanitation 4.98, Napa Auto Parts 138.84.
